

Save time and money attaching insulation

OlyBond500[®] ADHESIVE FASTENER

PaceCart 2

- The exclusive application equipment for OlyBond500
- Designed for high production Roof projects
- Utilizes new Bag-in-Box technology (patent pending)
- Inexpensive to purchase and operate
- Can dispense enough material to apply 60 squares of insulation in an hour
- Easy to operate and maintain
- Lightweight and portable
- Two-component reaction occurs in the disposable mix tips, keeping the gun and hoses clean and free flowing
- Maintenance and cleanup are a snap
- 30' hose allows for easy application around penetrations

SpotShot Applicators
